

K-Love Radio means so much to me. It serves not only my family, but so many others in my community. I understand that you may let LPFM take priority over FM stations. This would be very sad for us. So many people listen and rely on K-Love Radio for daily strength. Please don't let K-Love be forced off the air. The impact of removing K-Love from the airwaves would be terrible for my family, friends, neighbors, and hundreds of thousands of people across the country. Please, don't let this happen to us.
